

SHRIRAM AUTOMALL OPENS NEW FACILITY IN HOSUR

WEB EXCLUSIVE / MAY 2017

Shriram Automall India (SAMIL) inaugurated its first facility in Hosur, the sixth in Tamil Nadu Zone and 27th in South India. The Hosur facility, which is the 68th Automall facility of SAMIL, is strategically located in the industrial area which is near Andhra Pradesh and Karnataka border and expands through Big Vegetable Market Hub. The newest Automall spreads over an area of four acres of land and will satisfy the demand in the area for vehicles primarily the LCV, HGV & SGV.

Hosur Automall is an extension of the company's automall facility which will provide complete access to customers in Chennai, Salem, Bengaluru, Vellore and Krishnagiri thus fulfilling their pre-owned vehicle requirements in an organised manner.

“As a part of our expansion plan to inaugurate 75 well structured Automalls by 2017, we launch the Hosur Automall today which is the 68th facility of the company. With favourable demand of used vehicles and equipment across the country, I am absolutely certain and confident that 2017 will be a year of great pride for us. We will work together, determined to keep the faith in the company intact with unwavering focus on goals we have together set,” said **Sameer Malhotra, CEO, Shriram Automall.**
